**Re: Administrative Order for a Remedial Design Index No.
CERCLA-02- 2018-2015; New Cassel/Hicksville Groundwater
Contamination Superfund Site, OU-1**

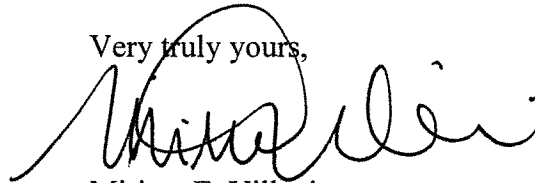

Dear Sharon:

In accordance with Paragraph 49 of the USEPA Unilateral Administrative Order ("UAO") for the New Cassel/Hicksville Groundwater Contamination Superfund Site,OU-1, I submit this Notice of Intent to Comply with the UAO on behalf of my clients, Nest Equities, Inc. and Utility Manufacturing, Co., Inc. Nest's and Utility's intent to comply is conditioned on the compliance of the Respondents known as the "Frost Street Parties". The Frost Street Parties submitted to you a Notice of Intent to Comply, which notice indicated that those parties intend to conduct the work related to the Eastern Plume.

This Notice of Intent to Comply is not an admission of liability and Nest and Utility reserve without limitation their available rights and defenses, including their right to seek third-party contribution.

Please let me know if you have any questions or wish to discuss this matter further.

Very truly yours,

Miriam E. Villani
